FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Economic Development (DED)-Professional Registration (DPR)** assume the proposed legislation could result in a decrease to the Healing Arts Fund from discontinuance of the the collection of licensure fees for physical therapist assistants. Based on 1,268 individuals currently licensed as physical therapist assistants and an annual \$10 fee, the proposal could result in an annual decrease of \$12,680 revenue (1,268 x \$10).

Oversight assumes this could result in a reduction in workload, but would not be significant.
